Rhetoric in Society 8 and our General Assembly is approaching

Dear RSE members,

During the upcoming Rhetoric in Society 8 conference - organized by the University of Tübingen - the General Assembly will take place on June 2nd at 11am. For more details, <http://ris8.org/important-dates>

This is the preliminary agenda:

1. Update on organization and structure of the RSE.
2. Report on finances.
3. Election and constitution of the Executive Board.
4. Any other business.

During the General Assembly we will present how we want to establish continuity and renewal in the RSE Board with a tier system of cohorts.

Under the proposed system, 25 % of the seats will be reserved for junior members (2-year terms), and the remaining seats will be divided into three overlapping cohorts (6-year terms). As a result, 50 % of all seats will be open for (re)election at every bi-annual RiS conference.

If you would be interested to join the RSE Board now or in the future, please contact Michael Hoppmann at M.Hoppmann@northeastern.edu by May 21st.

All RSE members have the right to participate in, vote, and speak at the General Assembly.

Looking forward to seeing you at the first post-pandemic Rhetoric in Society Conference.

Best regards,

The RSE Board
